

SOLUTION BASED
INNOVATION, LLC.

Who we are:

SBI an integrator providing medical solutions focused on patient care outside the hospital setting (Expeditionary). We rely on our experience in these austere setting to provide innovative collaboration with current end users. These efforts are achieved through tested integration and protection of existing and future medical technologies.

What We Do::

Our integrated solutions provide operational medical professionals to use Philips devices in the field meeting MILSPEC requirements through various packaging methods

How We Add Value to Philips:

SBI can support Philips to "Tacticalize" current manufactured devices and assist with gaining MILSPEC on R&D projects. We specialize in expedient prototyping and production to support DOD with Philips products. SBI has two fabrication and kitting/integration facility's in Virginia Beach.

Our Core Clients:

Medical Treatment Facilities(MTF), VA Medical Centers, Deployable Hospitals, Air Force EMEDS, Army CSH, Navy Fleet Hospital, Deployable Tactical Units, Forward Surgical Teams, CASEVAC Units, Forward Observation Bases (FOB), SF Units, SEAL Teams, Ranger Battalions, Navy Ships and other Government Agencies
