KIT CAPABILITIES

- **Permanent Flareless Connections** — Permaswage fittings cold-form onto tubing to create permanent, leak-free hydraulic connections without flaring or welding.
- **Full Size Coverage** — Sizes 3/8" (6), 1/2" (8), and 1" (16) cover the most common aerospace and defense hydraulic line sizes.
- **Swivel & Bulkhead Options** — Swivel adapters allow orientation adjustment; bulkhead unions provide sealed panel pass-throughs for routed hydraulic lines.
- **Custom SBI Case** — Pelican-style watertight hard case with precision-cut foam. Airline, sea,

PERMASWAGE SWIVEL FITTING — FLARELESS, PERMANENT CONNECTION
